

A BYLAW RESPECTING BUILDING

The council for the Village of Debden in the province of Saskatchewan enacts as follows:

SHORT TITLE:

1. This bylaw may be cited as the Building Bylaw.

INTERPRETATION/LEGISLATION

2. (1) "Act" means The Uniform Building and Accessibility Standards Act being chapter U-1.2 of the Statutes of Saskatchewan, 1983-84 and amendments.
(2) "Regulations" means regulations made pursuant to the Act.
(3) "Administrative Requirements" means The Administrative Requirements for Use with The National Building Code.
(4) "Municipality" means the Village of Debden.
(5) "Council" means the council for the Village of Debden.
(6) "authorized representative" means an inspector appointed by the Council pursuant to subsection 5(4) of the Act or the Municipal official.
(7) Definitions contained in the Act and Regulations shall apply in this bylaw.

SCOPE OF THE BYLAW

3. (1) This bylaw applies to matters governed by the Act and the Regulations, including the National Building Code of Canada, and the Administrative Requirements.
(2) Notwithstanding subsection (1) references and requirements in the Administrative Requirements respecting matters regulated by the Act and Regulations shall not apply.
(3) Notwithstanding subsection (1) references and requirements in the Administrative Requirements respecting "occupancy permits" shall not apply except as and when required by Council or its authorized representative.

GENERAL

4. (1) A permit is required whenever work regulated by the Act and Regulations is to be undertaken.
(2) No owner or owners agent shall work or authorize work or allow work to proceed

on a project for which a permit is required unless a valid permit exists for the work to be done.

- (3) The granting of any permit which is authorized by this bylaw shall not:
- (a) entitle the grantee, his successor or assigns, or anyone on his behalf to erect any building that fails to comply with the requirements of any building restriction agreement, bylaw, Act and/or regulation affecting the site described in the permit, or
 - (b) make either the Council or its authorized representative liable for damages or otherwise by reason of the fact that a building, the construction, erection, placement alteration, repair, renovation, demolition, relocation, removal, use or occupancy of which has been authorized by permit, does not comply with the requirements of any building restriction agreement, bylaw, act and/or regulation affecting the site described in the permit.

BUILDING PERMITS

5. (1) Every application for a permit to construct, erect, place, alter, repair, renovate or reconstruct a building shall be in Form A, and shall be accompanied by two sets of the plans as specifications of the proposed building, except that when authorized by council or its authorized representative plans and/or specifications need not be submitted.
- (2) If the work described in an application for building permit, to the best of the knowledge of the Council or its authorized representative, complies with the requirements of this bylaw, the municipality, upon receipt of the prescribed fee, shall issue a permit in Form B and return one set of submitted plans to the applicant.
- (3) Council may, at its discretion, have plan review, inspection and other services for the purpose of enforcement of the Act and Regulations provided by inspectors designed by the minister to assist the municipality pursuant to Subsection 4(4) of the Act.
- (4) Council may, at its discretion, have plan review, inspection and other services provided by a person, firm or corporation employed under contract to the municipality.
- (5) The permit fee for construction, erection, placement, alteration, repair, renovation or reconstruction of a building shall be based on the following schedule.

Building Permit Fee Schedule

Garages, decks, sheds, , and minor renovations \$20.00
All other Building \$50.00

In addition, if council chooses to exercise its discretion under Section 4(5), the full cost to the municipality for these services shall be added to the permit fee.

- (6) Council may estimate the value of construction for the work described in an application for building permit, for the purpose of evaluating a permit fee, based on established construction costs, owners statement of costs or constructors contract values. or similar methods selected by Council.
- (7) Approval in writing from the Council or its authorized representative is required for any deviation, omission or revision to work for which a permit has been issued under this section.
- (8) All permits issued under this section expire
 - (a) six months from date of issue if work is not commenced within that periods, or
 - (b) if work is suspended for a period of six months, or
 - (c) if work is suspended for a period of longer than six months by prior written agreement of the Council or its authorized representative.
- (9) Council may, at its discretion, rebate a portion of a permit fee where work is reduced in scope or discontinued or where other exceptional circumstances occur.

DEMOLITION OR REMOVAL PERMITS

6. (1) (a) The fee for a permit to demolish or remove a building shall be \$ 25.00
 - (b) In addition, the applicant shall deposit with the municipality such sum as the Council or its authorized representative considers sufficient to cover the cost of restoring the site after the building has been demolished or removed to such condition that it is, in the opinion of the Council or its authorized representative, not dangerous to public safety. If the applicant who demolishes or removes the building restores that site to a condition satisfactory to the Council or its authorized representative, the sum deposited shall be refunded.
- (2) Every application for a permit to demolish or remove a building shall be in Form C.
- (3) Where a building is to be demolished and the Council or its authorized representative is satisfied that there are no debts or taxes in arrears, or taxes outstanding with respect to the building or land on which the building is situated, the municipality, upon receipt of the fee and deposit prescribed, shall issue a permit for the demolition removal in Form D.
- (4) Where a building is to be removed from the municipality, and the Council or its authorized representative is satisfied that there are no debts or taxes in arrears or taxes outstanding with respect to the building or land on which the building is situated, the municipality, upon receipt of the fee and deposit prescribed, shall issue a permit for the removal in Form D.
- (5) Where a building is to be removed from its site and set upon another site in the municipality, and the Council or its authorized representative is satisfied that there

no debts or taxes in arrears or taxes outstanding with respect to the building or land on which the building is situated, and the building when placed on its new site and completed, to the best of the knowledge of the Council or its authorized representative, will conform with the requirements of this bylaw, the municipality upon receipt of the fee and deposit prescribed, shall issue a permit for the removal in Form D.

- (6) Where a building or part thereof is to be moved from outside the Village Corporate Limits to a location within the Village, and the building when placed on its new site and completed, to the best of knowledge of the Council or its authorized representative, will conform with the requirements of this bylaw, the Village, upon receipt of the fee, and photograph of the building, shall issue a permit for moving in Form "D".
- (7) All permits issued under this section expire six months from the date of issue except that a permit may be renewed for six months upon written application to the Village.
