

# DEBDEN

## CENTENNIAL APPAREL

### *Heritage Logo*

This logo reminds us of our history, particularly the generations before us, parish members, and descendants of WWII. Inspired by a memorial on Main Street, Debden, we commemorate a promise and tribute to WWII soldiers.

### *Fun Logo*

Smurfette symbolises the days we hosted our annual slo-pitch tournament: Young Guns. Smurfette is kissing a frog because many call us the Debden frogs, a mascot of which we are proud. If you have any connection to Debden, you will know about "The Greasy Pig" and understand how we had to include a pig. The amusing characters represent our fun-sided nature.

### *Classic Logo*

This logo is a labour of love created by local teenage artist Gracie Cyr. A picturesque elevator is physically stable yet pleasantly weathered to represent 100 years of hard work and toil. The essence of this logo captures the heart of our strong-minded agricultural community.

### *Modern Logo*
