I understand and acknowledge the fee for this service on an existing property is \$50.00.

I understand and acknowledge that the property stake location provided by the Village of Debden (here within called the Village) is approximate and informational and that onsite locations may vary from the actual legal line locations. I understand and acknowledge that the property line data provided by the village will not be that of a Legal Land Surveyor and is not intended to be and that the location staked by the village is not binding on either landowner in cases of property line disputes. I understand that if I need a precise and accurate legal property line locate that I must employ the services of a Legal Surveyor and that this can not be provided in any way by the Village of Debden. I will not hold the Village liable under any circumstances of having the current pins located. I will not use this information for the purpose of any construction, planting, real estate transactions or any other legal matter.

Please note:

1) In situations where the Village Public Works personnel cannot find an adequate number of survey pins to determine the approximate property lines, the village will not provide this service. In such cases, the fee will be refunded.

2) According to the policy, Public Works personnel will attempt to have the marking done on existing properties within 20 working days after the formal request has been made to the Village Office.
