

Debden Centennial Celebration

Debden's Centennial celebration is currently set for July 29th-August 1, 2022.

Unfortunately, with the onset of the COVID-19 Pandemic, the planning committee has lost over a year to prepare for this event. There is still much uncertainty as to whether large groups will be permitted to gather by the summer of 2022. It would be ideal for our celebrations to take place 100 years after the Village was incorporated. However, with the hours of preparation and the costs involved in securing activities/entertainment, the committee is considering postponing this event until 2023. We are asking for feedback from the community and those who would be attending from near and far.

Thank you in advance for your input.

1	I would prefer to see the event proceed on the current dates (July 29-August 1, 2022) I understand this would be a lower scale celebration given the lack of planning time and the event may not be permitted due to a Public Health Order.	
2	I would like to see the Centennial Celebration postponed until June 30-July 2, 2023.	
3	I would like to see the Centennial Celebration postponed until August 4-7th, 2023.
