

Debden Centennial Shuttle Tender Information

1. Lowest tender not necessarily accepted.
2. **All** shuttle drivers will be required to have valid drivers license. Package policy for evening transport vehicles is recommended.
3. Successful Tender will be responsible for the following:
 - Providing shuttle (golf carts/side by side etc.) Saturday 12:00 p.m. to 7:00 p.m. and Sunday 10:00 a.m. to 7:00 p.m. around event grounds and to vehicles (as event grounds will be blocked off)
 - Providing taxi shuttle for SGI's "Safe Ride Home" Friday, Saturday and Sunday evenings from 7:00 p.m. – 2:00 a.m. within 5 km radius of Debden.
 - Modes of transportation and fuel are supplied by tender applicant.
4. It will be advertised in the program that the fees are paid by the Centennial Committee but that riders are welcome to leave the driver/group a gratuity.

Tender bids should include the following information:

Specify if you are tendering on behalf of a non-profit group or if your tender is for profit.

Specify how many people will be actively working within this group and who will be supervising if it is a non-profit group.

Specify the modes of shuttle you will be providing and how many will be available for the daytime and the night time transportation.

This is tendered as a full weekend event. Your tender bid should take into consideration the hours of the event. The Committee will consider tendering the daytime and the night time shuttle separately however preference will be given to a group that tenders the full weekend.

Tenders can be mailed to Box 400, Debden, SK or emailed to debdencentennial@sasktel.net.
