

Debden Centennial Shuttle Tender Information

1. Lowest tender not necessarily accepted.
2. **All** shuttle drivers will be required to have valid drivers license. A package policy with liability coverage for evening transport vehicles is recommended.
3. Successful Tender will be responsible for the following:
 - Providing taxi shuttle for SGI's "Safe Ride Home" Friday, Saturday and Sunday evenings from 7:00 p.m. – 2:30 a.m. within 5 km radius of Debden.
 - Modes of transportation and fuel are supplied by tender applicant. Vehicles must have valid registered plates.
4. It will be advertised in the program that the fees are paid by the Centennial Committee but that riders are welcome to leave the driver/group a gratuity.
5. This service is sponsored by SGI's Safe Ride Home. There is zero- tolerance for any alcohol or substance use for drivers who are awarded the tender. The driver's are responsible to ensure they are a Safe Ride home for everyone that uses this service.

Tender bids should include the following information:

Specify if you are tendering on behalf of a non-profit group or if your tender is for profit.

Specify how many people will be actively working within this group and who will be supervising if it is a non-profit group.

Specify the modes of shuttle you will be providing and how many will be available for transportation.

This is tendered as a full weekend event. Your tender bid should take into consideration the hours of the event.

Tenders can be mailed to Box 400, Debden, SK or emailed to debdencentennial@sasktel.net.
